ABOUT ASSIST THE OFFICER FOUNDATION

The Assist The Officer Foundation provides financial assistance to first responders who are facing the loss of income due to a serious injury, life-threatening illness or other catastrophic event. Immediate assistance is also available to an officer's family in the event of the death of an active officer.

Dallas Police Association's

Assist the Officer
FOUNDATION

Since its creation in 1999, the foundation has provided assistance to thousands of officers and their families who were faced with any number of different life-altering situations.

In 2004, the ATO Foundation launched a first of its kind, confidential counseling service, exclusively for Dallas police officers. The stress of everyday life can take a toll on almost anyone – add to that, the danger and stress of being a police officer – and sometimes life can be overwhelming. Our counseling program was designed for police officers, by police officers and professionals working together. As resources allow, the Foundation will continue its growth by adding new programs to meet the needs of police officers in an ever-changing world.

ABOUT THE DICKEY FOUNDATION

Since 1941, Dickey's Barbecue Pit has taken great pride in our Texas style barbecue and our commitment to the communities we serve. It is in that spirit, The Dickey Foundation was created.

The Dickey Foundation supports first responders who protect and unite our communities. Our Foundation is national but our efforts are intensely local, focusing on providing the equipment necessary for the safety of our first responders.

Founded in 2016 by Maurine Dickey, The Dickey Foundation was created to support the brave men and women who risk their lives every day to ensure their communities safety. The Foundation recognizes the need to provide responders and their families the necessary support to ensure their safety and success in the communities they serve. To date, the Foundation has helped thousands of first responders by providing protective equipment and other critical tools that help ensure that first responders make it home safely. Since its founding, the Foundation has worked with franchisees across North Texas and the nation, providing more than \$750,000 in grants since its inception.
