Proceeds benefit the
Assist the Officer Foundation

Dallas Police Association's

Assist the Officer
FOUNDATION

Since 1999, the Assist the Officer Foundation has served as a critical support system for Dallas-area First Responders, including police officers, firefighters, and paramedics. These brave individuals put their lives on the line every day to keep our communities safe, and when they face challenges like illness, injury, or unexpected hardship, the ATO is there for them.

In 2024 alone, the ATO provided over \$300,000 in financial assistance to First Responders across 18 agencies, helping them weather difficult times with dignity and focus on recovery. Additionally, they offered over \$240,000 in confidential counseling services, with over 2,000 sessions supporting over 520 First Responders dealing with the demanding mental and emotional aspects of their jobs.

Every dollar raised through Bags for Badges directly impacts these heroes' lives. Whether it's helping pay medical bills after an injury, providing crucial counseling services, or supporting families after a line-of-duty death, your contribution makes a real difference.

By donating items or funds for Bags for Badges, you're not just supporting an event - you're becoming part of something bigger. You're ensuring our First Responders know they're never alone and that their sacrifices are valued. So, will you consider supporting this event and help us honor and empower these courageous individuals who serve our community with unwavering dedication?
